

20th Annual International Survivors of Suicide Loss Day

*Internationally sponsored by AMERICAN FOUNDATION FOR SUICIDE PREVENTION
Locally sponsored by Journey Mental Health Center and Survivors of Suicide Support Group*

Join us for a program for survivors of a suicide loss, family members, professionals, and community members who support and serve them. This day of hope and healing is held worldwide to create a sense of community by connecting with others who share similar experiences. Our event provides helpful resources and an opportunity for remembrance.

Saturday, November 17, 2018
